| <p><b>Your organisation</b><br/>Please describe your organisation and your areas of activity.</p>   | <p>Metaforum is a civic association established by professionals working in series production in Slovakia and organizers of International animation festival Fest Anča. The association strives to create a platform for discussion about the series production and television industry in Slovakia. The aim is to connect professionals, institutions, televisions and other actors in Slovakia and help to enhance the conditions for series production, educate and open the Slovak series market to international co-productions.</p>  |
| <p><b>Project idea</b><br/>Please give a brief description of your project idea, what you want to achieve and how you plan to achieve it.</p> | <p>The festival Pilot was established to help the series production scene in Slovakia to progress. Therefore, the festival would like to realize a new project with the aim of connecting and educating series scriptwriters, producers, televisions and other actors in the field to determine and name the main problems of the TV series industry in Slovakia and consequently to find common solutions to them. The Norwegian example of the TV series production industry could be a great source of inspiration to us. Thus, we would like to invite the central actors in the Norwegian TV series industry to share their know-how and experience with developing a quality TV series scene.</p> <p>Furthermore, we would like to establish co-production of series production in Slovakia together with The Slovak Audiovisual Fund as</p> |
